Dear Parent / Carer

At school, students use a software program called Renaissance Place. This program has a special feature called Renaissance Home Connect, which students and you can access outside of school from any computer with an Internet connection. Renaissance Home Connect is fun and easy to use. It allows the teacher, you and students to share information about progress in Accelerated Reader.

You can log in to Renaissance Home Connect from any computer with an Internet connection and compatible browser. For a list of compatible browsers, type the following URL in any browser: <http://support.renlearn.com/techkb/techkb/10624292e.asp>

The username and password is the same one used to log on to Accelerated Reader in school. If students are not sure of this, they will need to speak to their English teacher or send a private comment through Google Classroom. Please note, this is best accessed when students have completed their STAR reading test and have a library book from school.

If you'd like to receive emails showing your student's quiz or test results, click the Email Setup link in Renaissance Home Connect and follow the directions. To be sure these emails reach your inbox, add [homeconnectautodelivery@renlearnrp.com](mailto:homeconnectautodelivery@renlearnrp.com) to your address book.

If you have questions about Renaissance Home Connect, please feel free to contact me at the academy.

Yours faithfully
